Introductions were made and then Duke gave everyone information about the School Land Trust fund and the responsibilities of serving on Community Council. He talked about the fact that last year's council approved the SLT plan for this year. Duke explained that most of the \$191,449.00 we received this year will go toward the salaries for 3 employees – a family and community engagement coordinator (Yuri Jenson), a paraprofessional to manage the library so that the instructional coach is available to work with teachers (Ashley Sweat), and a paraprofessional to manage our data and intervention system (Laurie Bywater). The rest of the money will go toward teacher trainings and professional development.

Duke then asked for someone to nominate a chair. Alfonso Flores nominated Jordan Conlin to be the chair. Jacob Luke seconded it and all who were in attendance agreed. Alfonso Flores then nominated Lauren Melton to be the vice-chair and Jordan Conlin seconded it. All who were in attendance agreed.

It was decided that our next meetings would be held at 3:00 pm on the following dates: Nov 17th, Jan 26th and March 16th.

Lindsie Luke made a motion to adjourn and Jacob Luke seconded it. All who were in attendance agreed.

The next meeting will be Nov 17th at 3:00.
