### CELEBRATIONS

On Tuesday, May 23, the Board of Education held a Groundbreaking Ceremony on the site of Wasatch County's second high school. Located on Midway Lane across from Southfield Park, the new high school will alleviate the overcrowding at Wasatch High and is slated to open in Fall 2026. Thank you to the community, staff, students and elected officials who came out to celebrate! More information about the event and photos can be found here: <https://wasatch.edu/blog/new-high-school-groundbreaking-may-23-2023/>

The Board celebrated this year's Wasatch Education Foundation Distinguished Educators during the board meeting, which included teachers from each elementary school, two from the middle schools and four from Wasatch High School, including Wasatch Alternative. Each recipient received a \$11,500 cash award during a surprise presentation in their classroom in the beginning of May.
