1. Welcome Committee Members and Explanation of Meeting Purpose	Curriculum Director, Tod Johnson	<ul style="list-style-type: none"> Meeting was via Zoom and we had participants from as far away as Mexico and Israel! Tod explained that the meeting was to meet Assurance and Compliance with the State Our District uses State Health Ed curriculum materials and there are no guest speakers Tod reviewed agenda
2. Human Sexuality Curriculum Health Curriculum: Goodheart Wilcox	Wasatch High School Teacher, Theron Gustafson	<ul style="list-style-type: none"> Theron was on the initial review committee for the current Goodheart/Wilcox health curriculum. Each semester disclosure forms and opt-out forms are distributed to students/parents Follow-ups are made via emails If a student does not bring back a signed permission slip, it is considered an opt-out Opt-out students are given another assignment to complete Curriculum follows State Health Ed standards Human Sexuality is not a subject covered in the health curriculum. Instead, it presented by our District nurses.
3. Classroom Presentation Human Sexuality Curriculum presented by nurses	Nurse, Aubreigh Parks	<ul style="list-style-type: none"> In the high school, two of three units are taught by the nurses Before a nurse can teach these units, they must go through a training prescribed by Aubreigh Grade 5 is one hour maturation programs; parents are invited
4. Questions/Discussion/Summary	Tod Johnson	<ul style="list-style-type: none"> Parent Comments: Curriculum is appropriate and respectful Some parents may opt-out, not due to disagreement with curriculum, but to present it to their children themselves Concern expressed over portrayals in presentation slides possibly not being in compliance with school dress code; Aubreigh will check into it. Tod summarized meeting and thanked participants
