TRANSPORTATION

WCSD uses the parent app, **Stopfinder**, an all-in-one app that allows parents to have the most accurate information about their student's bus schedule at any time from anywhere. In addition to displaying a student's transportation information, Stopfinder includes a private messaging feature that allows parents to communicate directly with the WCSD Transportation Department. Parents can also create GeoAlerts for their student(s), which sends a notification when the bus has arrived or departed from any location on their route, including their assigned bus stop and school. GeoAlertAlert Zones can be created for individual students allowing parents to customize the Alert Zone based on their bus route.

The email address that is currently on file with the district will be used for Stopfinder setup. Please contact the Wasatch County School District at 435-654-0280 to make changes to a primary email address prior to the upcoming school year if not correct.

Stopfinder can be downloaded for free from the AppStore or Google Play. For families new to the District, Stopfinder will require an invite and registration through the district prior to accessing a student's transportation schedule. Please watch for a Stopfinder invitation emailed to your primary email address a few weeks after school begins.

You can find your student's bus stop using your home address with the **Infofinder i** tool.

WASATCH EDUCATION FOUNDATION

The Wasatch Education Foundation (WEF) is a 501(c)3 charitable organization that supports the mission and goals of Wasatch County School District. The Foundation provides a fundraising platform for the Wasatch Parent Networks, clubs and activities at each school.

Cornerstone WEF programs include the **Distinguished Educators of the Year**, and the **Scholarship program**, which provided more than \$500,000 in awards to 291 students from the Wasatch High School Class of 2024. Of these, 16 were selected to receive the “We Rise” Scholarship for first-generation college students, which is renewable annually. The Foundation is currently supporting 50 students who are attending eight colleges in Utah and are on track to be the first in their families to graduate from college.
