

Subject: Letter of Intent to Serve on the Wasatch County School District Board of Education

Dear Board,

I am writing to formally express my interest in serving on the Wasatch County School Board, to fill the remaining term vacated by Tyler Bluth.

I am enthusiastic about the opportunity to serve my community and use the skills I have learned throughout my personal and professional life to contribute to the leadership and strategic direction of the Wasatch County School District. With my background in communication and law I am confident in my ability to provide valuable insights and support to the district.

With three children in the district, with various talents and interests, I want to be a part of the process to see them excel in not just education but in life. Our district is a unique district elevating the standard of education in Utah. The district is at the cusp of a new era with the anticipated opening of Deer Creek High School. I look forward to having the opportunity to assist with this transition.

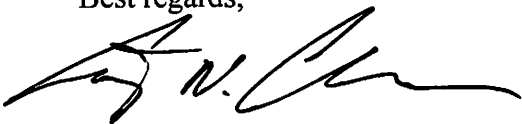

I am particularly drawn to the board because from an early age I have been surrounded by educators and those that have shaped the future of education. My parents, in-laws, and three siblings have been, or are currently, teachers or administrators. It is now my turn to add to their legacy and serve the Wasatch community.

I believe that my skills in the law representing various commissions, boards and councils, has prepared me to step into the roll immediately without losing a beat. As part of my career as a government attorney for Wasatch County, and now Lehi City, I know what it means to ensure budgetary, employee, and infrastructure needs are met. I know how to listen to constituents and make difficult decisions in this digital age.

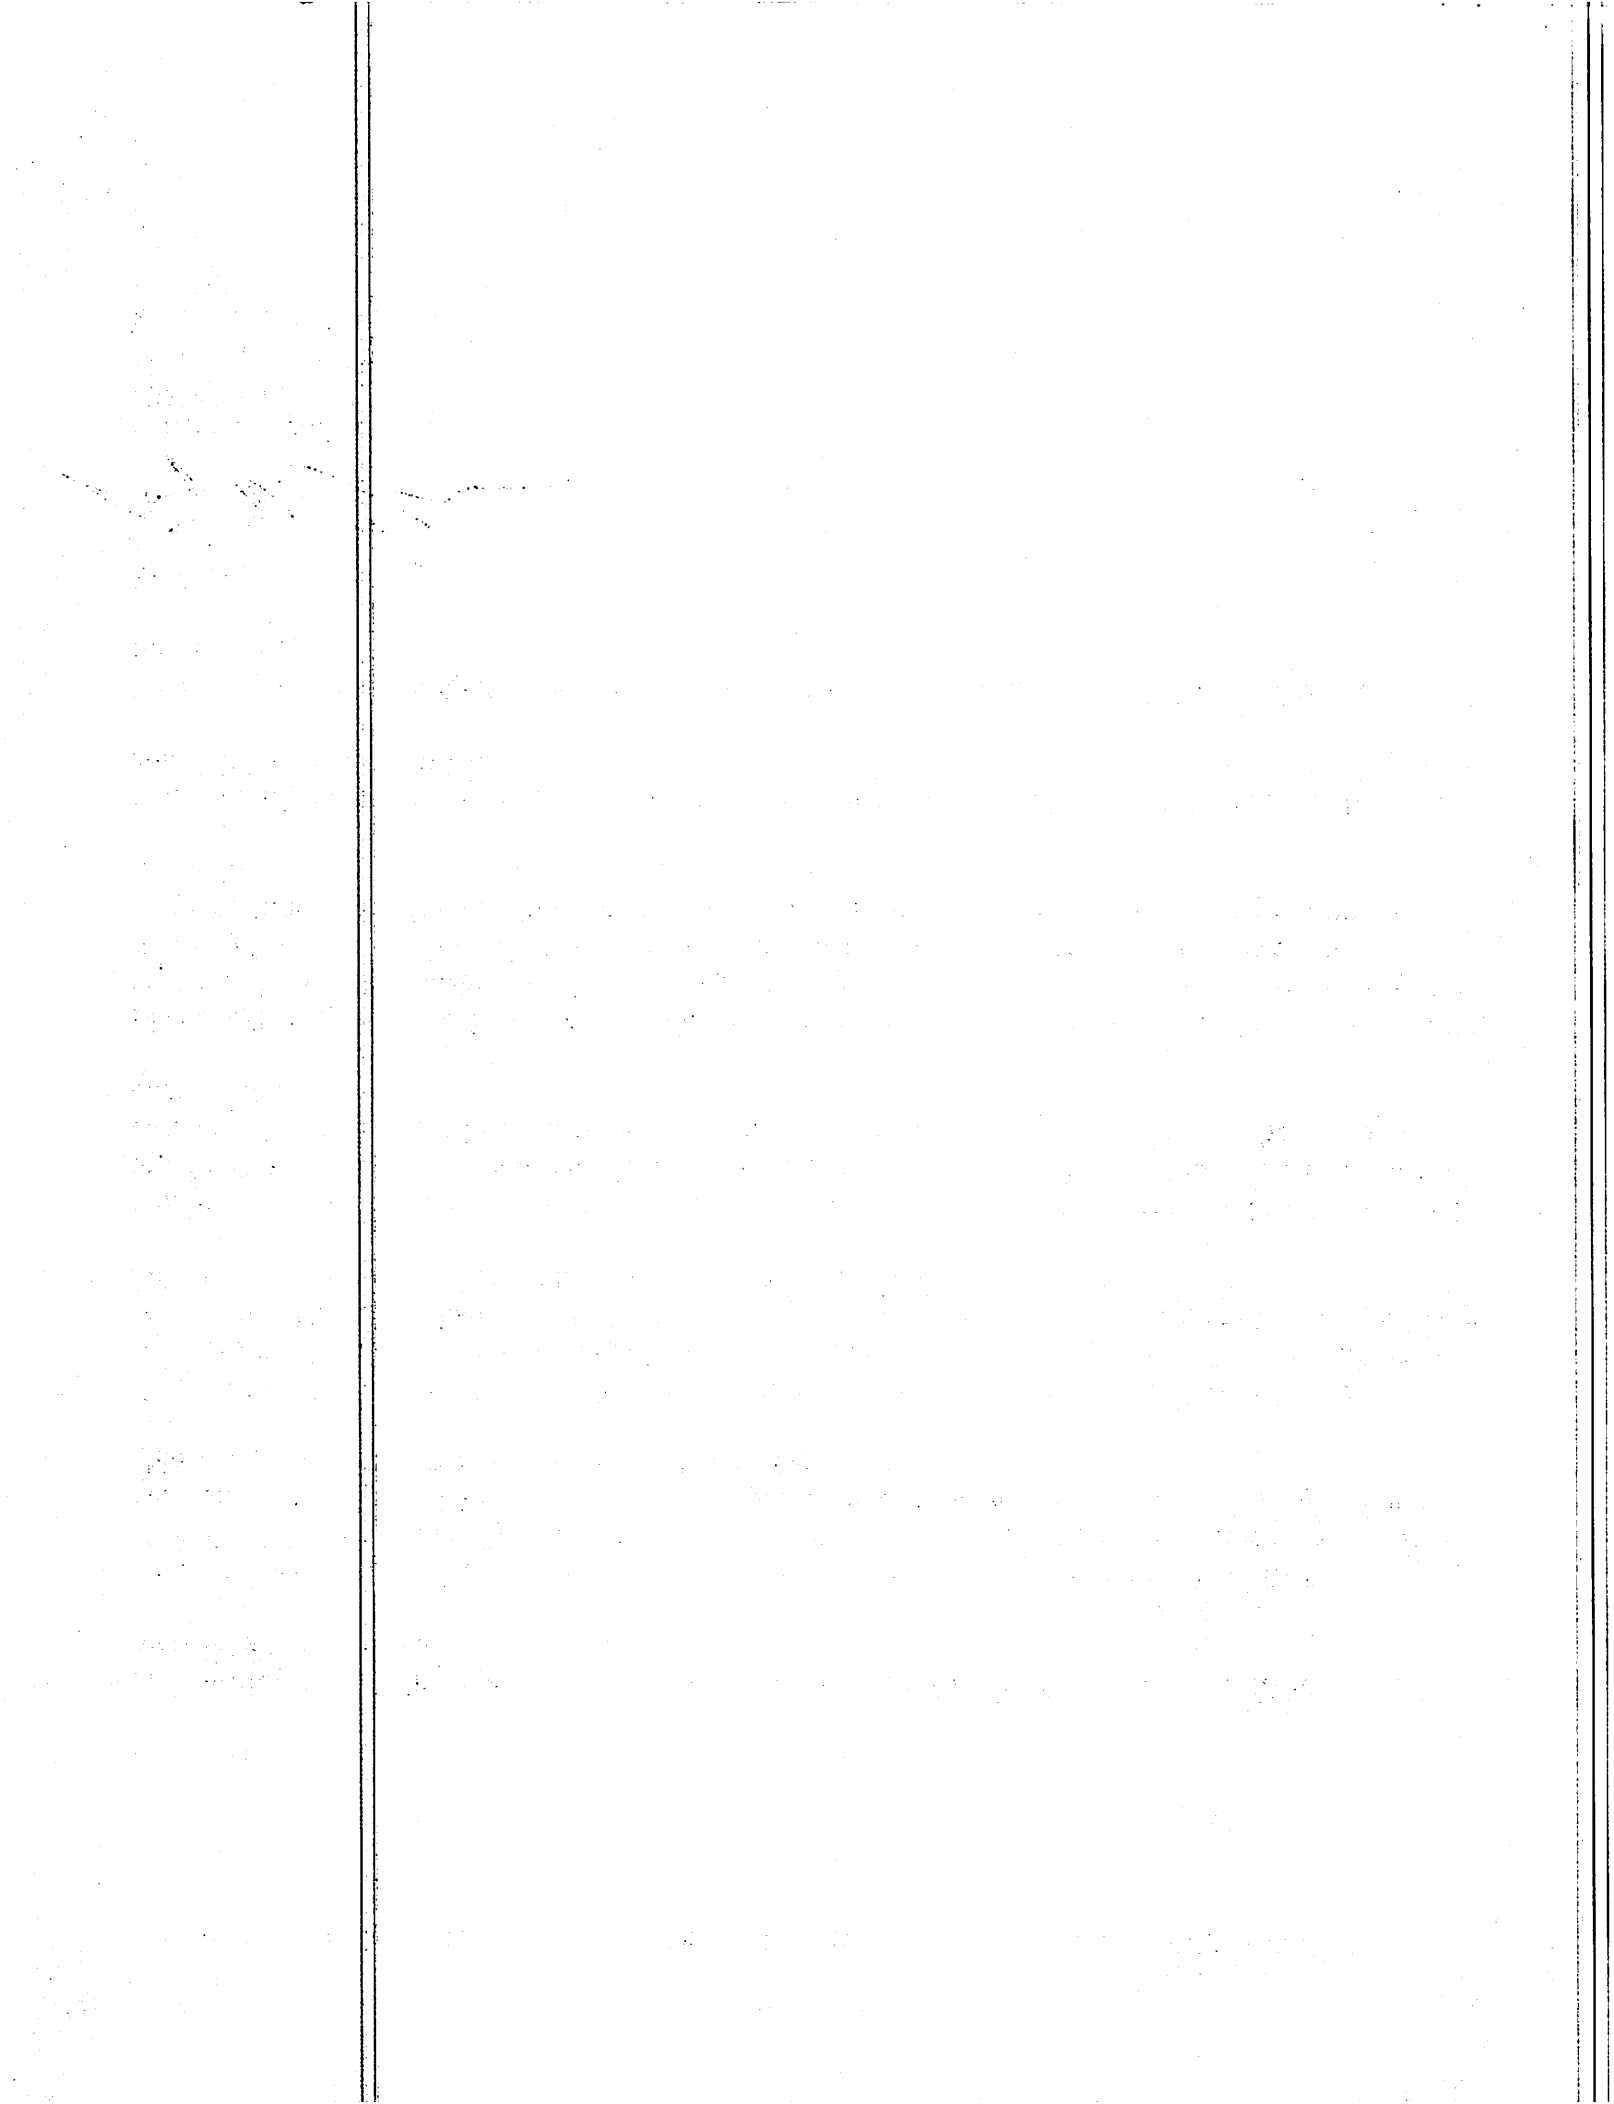

I am looking forward to the possibility of working with the esteemed members of the board and contributing to the continued success of the school district.

Thank you for considering my application. I am available at your earliest convenience to discuss this further.

Best regards,

Craig N. Chambers
