Wasatch County School District Board of Education,

I am excited to submit this letter of intent and my resume in anticipation of being considered as a candidate for the vacancy on the Wasatch County School Board, Seat D. I meet all of the eligibility requirements outlined in the Public Notice from the District dated January 29. I am a registered voter in Wasatch County, I live within the boundaries of Seat D within the School District, and am not currently employed by the District.

I have dedicated my professional life to education and consider myself a champion for public education. Over the years I have worked as a teacher, a counselor, and as the director of a public adult education program. Everyday at work I do my honest best to provide top-notch service to my students and their families. After nearly 30 years in education, spending time with, and supporting students, still brings me immense joy and satisfaction. I would be honored to serve my community and neighborhood as a member of the Wasatch County School Board and I believe my personal and professional background have prepared me well for this opportunity.

On a more personal note, I have a great love and respect for Wasatch County School District. Years ago, one of my greatest mentors, Pat Case, gave me the opportunity to begin employment at Rocky Mountain Middle School. From there I was transferred to Wasatch High. My 15 years in the District shaped me professionally and I feel a debt of gratitude for my time at Wasatch. Perhaps more significantly, all three of my kids attended and graduated from Wasatch School District. The schools they attended prepared them well for amazing, productive adult lives. Wasatch has left an undeniable imprint on our whole family and it would be an honor to give back by serving on the Board. It is a personal pleasure to submit my name for consideration.

If you would like to learn more about me before the February 25th open meeting, I would encourage you to reach out to Tod Johnson or Jason Watt, both of whom were my direct administrators during my employment at Wasatch High. Also, you are welcome to contact my current principal at South Summit High School, Kena Rydalch, at 435-783-4313.

Sincerely,
Daniel Dahl
