Wasatch County School Board
101 E 200 N
Heber City, UT 84032

Subject: Letter of Intent for Appointment to the Wasatch County School Board

Dear Wasatch County School Board,

I am writing to formally express my interest in filling the vacant position on the Wasatch County School Board. With experience in both the public and private sectors, I understand the complexities of organizational leadership, budgeting, and decision-making. I am eager to bring my skills to the board to help strengthen communication, accountability, and student success within our district.

Previously, I worked for Sandy City, Utah, where I gained firsthand experience navigating public-sector operations, policy implementation, and community engagement. In my current role as a business owner and consultant, I specialize in helping companies and organizations improve internal communication, enhance collaboration, and create efficient structures for long-term success. These skills are directly applicable to a school board setting, where clear communication and strategic planning are critical.

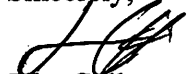

My key priorities as a board member would include:

- Enhancing student achievement through strong curriculum oversight and support for teachers.
- Improving transparency and communication between the board, administration, and the community.
- Ensuring responsible financial management to maximize resources for students and staff.

I am committed to working collaboratively with fellow board members, district leadership, and our community to ensure that Wasatch County provides a high-quality education for all students. I would welcome the opportunity to discuss my qualifications further in an interview.

Thank you for your time and consideration. Please feel free to contact me at your convenience.

Sincerely,

Jake Collett
