6th February, 2025

Wasatch County School District

101 N 200 E
Heber City, UT 84032

Dear Board of Education,

I am writing to formally declare my intent to run for a position on the Wasatch County School Board. As a long-time member of this community and a dedicated advocate for education, I am eager to bring my experience, passion, and commitment to our schools in a leadership role.

Since 2010, I have had children in the district, allowing me to see firsthand the strengths and challenges within our schools. Over the years, I have been actively involved in the PTA, serving in various leadership roles, including secretary and president. I currently assist with the Wasatch Parent Network (WPN) regularly and volunteer weekly at my youngest child's school, supporting teachers and students in any way I can.

One of my most rewarding contributions has been helping our school's art teacher reintegrate a miniature version of Meet the Masters at our Title One school, ensuring that all students have access to quality art education. My passion for supporting underprivileged demographics stems from both my personal and professional background. I hold a bachelor's degree in social work with an emphasis in child welfare, along with a minor in Spanish. Having lived abroad and being fluent in Spanish, I understand the importance of representation and inclusivity in our schools.

I believe that every child deserves a strong, supportive educational environment, and I am committed to working collaboratively with parents, teachers, and administrators to ensure our schools continue to thrive. My goal is to advocate for all students, especially those who may not always have a voice, and to help create policies that foster excellence, equity, and opportunity.

I would be honored to serve on the Wasatch County School Board and contribute to the ongoing success of our district. I appreciate your time and consideration and look forward to the opportunity to discuss my vision further.

Sincerely,

Nicole Lofgran
