Dear Members of the Board of Education

I am writing to formally submit my letter of intent to the Wasatch County Board of Education for the seat recently vacated by Tyler Bluth (District Boundary Seat D). In review of the criteria for this position I satisfy stated qualifications

- Maintain primary residency within the district throughout the term
 - o I have no intention of moving
- Not be employed by Wasatch County School Board

As a member of the community since 2017, I have grown to love Heber Valley. With children in the School System, I have a vested interest in the success of the Boards current goals. As a recent member of a School Committee (player parent representative), I found my pursuit of service opportunities perhaps closer to home than I had imagined.

I have a diverse background that I believe will bring benefits to the Board in their pursuit of excellence for all those involved (Student, Teacher, Administration and Community).

I look forward to our time on February 25th at 4pm.

Sincerely,

mn
