## 2025-26

### A MESSAGE FROM SUPERINTENDENT GARRICK PETERSON

Dear Wasatch Families,

I'm so excited to welcome you back for a new school year! Wasatch is a special place where people care deeply and work hard. You can feel the excitement building across the district as teachers prepare classrooms to be ready, and our schools open their doors and hearts to welcome students. I'm grateful to keep serving alongside all of you, and I know that by working together, we can help every student learn and grow.

When I took on this role, I promised our Board of Education a few things that really reflect the heart of our community: to build trust, to make sure everyone feels supported, and to stay connected to our "why." I believe the best progress happens when we're open with each other and work side-by-side toward what's best for kids.

Thank you for all you do for your children and for our schools. Your support makes Wasatch such a wonderful place for students to learn and grow. Very soon, you'll hear more about our "Unity in Our Community" program - something I'm especially excited about because it's all about bringing us closer together and keeping our partnership strong.

Here's to an amazing school year!

With gratitude,

Garrick

***Unity in Our Community invites families and community members to take part in interactive, half-day sessions throughout the year, offering a behind-the-scenes look at our schools. From decision-making and classroom learning to school funding and district leadership, these sessions aim to build understanding, invite feedback, and strengthen partnerships, fostering transparency and working together for every student's success.***

## WASATCH

EDUCATION FOUNDATION

### WASATCH EDUCATION FOUNDATION

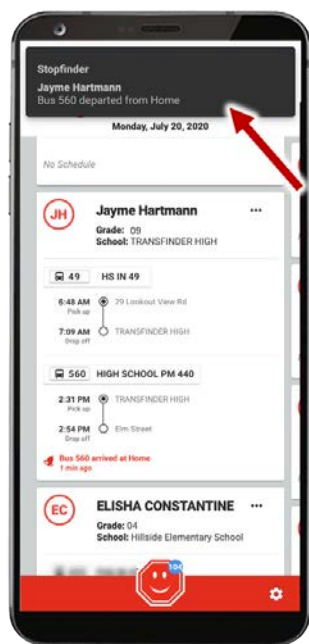

The Wasatch Education Foundation (WEF) is a 501(c)(3) nonprofit that partners with the community to fund programs that elevate student success and support the mission of Wasatch County School District.

Re-established in 2019, WEF has grown to support a wide range of impactful initiatives:

- **Scholarships:** Over \$500,000 awarded annually to nearly 300 Wasatch High graduates, including 43 We Rise Scholars—first-generation college students receiving multi-year scholarships and mentoring.
- **Distinguished Educators:** Nine outstanding teachers are honored each year with \$10,000 awards recognizing their excellence and dedication.
- **Student Support:** WEF funds food security programs like backpack meals and the WHS food pantry.
- **Parent & School Partnerships:** The Foundation provides a free fundraising platform for clubs, teams, and the Wasatch Parent Network, helping raise over \$1 million annually reinvested in our schools.

WEF continues to expand its reach to support every grade level and school. Learn more at [Wasatched.org](https://Wasatched.org).

## TRANSPORTATION

**Know Exactly Where Your Student's Bus Is - Anytime, Anywhere!** 🚌

Wasatch County School District uses **Stopfinder**, a free parent app that puts your student's bus schedule right at your fingertips. With Stopfinder, you can:

- Check bus schedules in real time - the most accurate info, updated anywhere, anytime.
- Message WCSD Transportation directly - no waiting on hold!
- Set up GeoAlerts - get notified when your student's bus arrives or leaves school, home, or even another stop along the route. (You can customize these alerts for each child!)

### How to Get Started

- The app uses the primary email on file with WCSD - make sure it's up-to-date by calling 435-654-0280 if changes are needed.
- Download Stopfinder for free on the App Store or Google Play.
- Families new to WCSD will receive an email invite a few weeks after school begins to register and view their student's route.

### Need to find your bus stop now?

Use your home address in our **Infofinder i** tool. For more information on WCSD Transportation, please visit their website: <https://wasatch.edu/transportation/>

## FOOD SERVICES - FREE LUNCHES FOR ALL STUDENTS WHO QUALIFY

### Good News for Wasatch Families!

Starting this school year, students who qualify for reduced-price meals will receive school lunch at no cost, thanks to Utah House Bill 100.

### Here's what you need to know:

Applications are open now! Families must apply each year to continue benefits, even if your student received free or reduced meals last year.

No more reduced-price lunch fees; the state will now cover the cost of meals for students who qualify for reduced-price benefits. Families who previously paid \$0.40 for lunch will now pay nothing. Breakfast is not included in this change; however, a reduced breakfast cost of \$0.30 is available for those who qualify.

*Just one quick application per household. Apply online or pick one up at your school's office.*

This change is a big step forward in supporting student health, focus, and success, and we want to make sure every eligible family applies!
