

### **October 10, 2025 Special Board Meeting**

During the Oct. 10 Study Session, the Wasatch County School Board reviewed updated boundary options for Wasatch and Deer Creek High Schools, along with parent and student survey feedback. Superintendent Dr. Garrick Peterson and Student Services Director Dr. Eric Campbell shared three refined scenarios balancing enrollment, demographics, and neighborhood continuity. The Board emphasized equitable access to programs at both schools and reaffirmed that student connection and family choice remain top priorities. Survey results showed families value proximity, transportation, and feeder patterns, while students prioritize friends, teachers, and coaches.

### **October 28, 2025 Study Session**

During the Oct. 28 Study Session, the Board of Education reviewed the process leading up to the upcoming boundary public hearing—the final step in a months-long effort to prepare for the opening of Deer Creek High School in 2026. Superintendent Dr. Garrick Peterson outlined the hearing’s purpose as a formal opportunity for public feedback before final Board action. Board members discussed key community themes such as safety, traffic flow, and feeder patterns, reaffirming that transparency, data, and equity have guided every step of the process.

### **Oct. 28, 2025 School Boundaries Public Hearing**

During the Oct. 28 Public Hearing, the Board invited community feedback on proposed 2026–27 school boundaries in preparation for the opening of Deer Creek High School. Parents, students, and teachers shared thoughtful comments on safety, continuity, and program access, along with themes of equity, mental health, transportation, and community connection. Superintendent Dr. Garrick Peterson and the Board expressed gratitude for the community’s engagement and reaffirmed their commitment to creating two strong, equitable high schools that serve every Wasatch student well.

### **Oct. 30, 2025 Special Board Meeting**

During a special Study Session on Oct. 30, the Wasatch County School Board continued discussions following the Oct. 28 boundary public hearing. Board members reviewed updated demographic data, transportation needs, and neighborhood feedback to refine attendance areas for the opening of Deer Creek High School in 2026. Discussion focused on growth in the Center Creek and Coyote Lane areas, balancing enrollment, and maintaining student safety and proximity, with members reaffirming their commitment to clear, equitable boundaries for all Wasatch students.
