If the fee requested is higher than last year's approved fee, please explain the reason for the fee increase:

Additional notes *if needed*:

Painting courses require specific materials and processes. If a student is unable to pay the full class fee, they are encouraged to contact me privately. I will ensure that all students have access to necessary materials, including gently used supplies, so they can fully participate. My goal is to make sure every student has what they need to succeed, regardless of financial circumstances. Students may take their artwork and select materials home; any unused materials may be donated back to the class.
