PROUDLY SERVING UTAH PUBLIC EMPLOYEES

myWellness Tracker

myWellness Tracker is a wellness tracking program for you and your PEHP-insured spouse. The goal of the program is to help you create or sustain healthy habits - and get rewarded for it!

How does it work?

myWellness Tracker, based on the WellRight digital platform, is used to create fun and engaging health and wellness challenges. It helps you stay motivated and improve your overall wellbeing. Sync your wearable device or manually track challenges within myWellness Tracker. Access the program portal either on your desktop or through the app.

Most challenges are 30 days, designed to create and track habits - such as your nutrition, exercise, or finances - over an entire month.

myWellness Tracker is offered in addition to Healthy Utah, giving you an opportunity to “earn more.”

Rewards

Earn Points - Get Cash

Points are awarded for completing challenges, helping you work towards three achievement levels. You earn \$50 for each level you reach - that’s up to \$150 each plan year! PEHP sends you (the insured employee) a check at the end of the plan year for your accomplishments. FICA tax is withheld from all payments.

PEHP Wellness rebates are still available outside of myWellness Tracker:

- » Know & Plan
- » Good For You
- » BMI Improvement
- » Blood Pressure Improvement
- » Diabetes A & B Rebates
- » Cholesterol Improvement
- » Tobacco Cessation
- » Wee Care

You have earned **1050** points!
